## Mercy Hospital Washington Campus

**Co-Worker Orientation** will take place in the Mercy Medical Building North at 851 East Fifth Street, Washington, MO 63090 in Suite 170; Talent Development and Optimization, Classroom A/B.

We recommend that you plan for adequate drive/commute time due to bad traffic or inclement weather, as it is very important that you arrive for Orientation on time.

**Parking Policy:** All Mercy Hospital Co-Workers, whether assigned to the hospital or the north medical building are required to park in the parking lot north of the hospital on Third Street. Areas that are also restricted from co-worker, student and MMB parking include any of the hospital parking lots. This rule is in effect 24 hours a day, seven days a week.

If you are working at the South building, please park in the parking garage. Parking on the main parking lot of the hospital or the North or South Medical Buildings will result in a ticket or fine.

**Dress Code:** Business Casual Attire or Professional Uniform (no jeans or sweat pants). The conference room temperature tends to be cool; please dress appropriately.

**Smoke-Free Campus:** Mercy Hospital Washington has established a tobacco-free environment for all Mercy health system properties, buildings, parking facilities, grounds, plazas and vehicles.
